HOW IT WORKS

In a nutshell, we import directly from factories across the globe, we store in our warehouses, and we distribute directly to our clients. We minimize the supply chain cycle to the minimum to achieve cost reduction and optimization in retail selling price. Our merchandise and sales team complement our procurement and warehouse personnel to satisfy our clients demands.

Manufacturers

We are actively dealing with 50 factories placed in 12 countries across the globe. We source the best products to you and insure supply chain is maintained throughout our day-to-day operations.

Shipping & Transport

We average over 200 containers of goods shipped to our warehouses in UAE, KSA, & OMAN Annually. Air Freight and Land Transport is also done to complement sea freight.

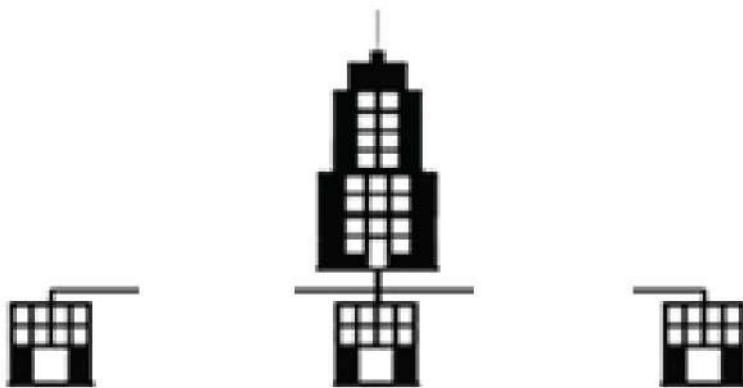

Warehousing & Logistics

We operate our own facilities. We have 2 warehouses in Dubai, 2 in Riyadh, 1 in Muscat with total storage capacity of 100,000 sq.ft. We also **operate our own fleet of delivery pickups and vans.**

Retailers

We distribute to over 850 retail outlets, ranging from small department stores to Mega Hypermarkets. We also distribute to catering and Event Management vendors.
